Reply to Office Action of July 7, 2003

In response to the Examiner's restriction requirement, election is hereby made to prosecute the invention of species I, claims 1, 6-24, 29-39, 61-62, 67-78, 81, 91-92, 96, 100, 107-118, 121, 126-129, 132, 135-145, 158, 162-171, 174-190, and 193-199. Claims 40-60, 119-120, 146-157, 172-173, and 191-192 have been withdrawn.

Claim 87 was not listed with any of the three species in the restriction requirement, however, from the context the applicant assumes claim 87 to be part of elected species I. The applicant respectfully includes claim 87 in its election of species I.

Applicant believes the above amendments and remarks to be fully responsive to the Office Action, thereby placing this application in condition for allowance. No new matter is added. Applicant requests speedy reconsideration, and further requests that Examiner contact its attorney by telephone, facsimile, or email for quickest resolution, if there are any remaining issues.

Respectfully submitted,
